

Addendum No. 2

Questions and Responses on the Hualapai Park and Playground RFP

March 11, 2015

1. Will a survey be required for the park? [Yes.](#)
2. Will a geotechnical report be required for the project? [Yes.](#)
3. Can the adjoining Indian Health Services parking lot be used for automobile parking? [Yes, pending confirmation from Indian Health Services director.](#)
4. Does the \$250,000 budget include design and construction management fees? [Yes. The construction budget may be enhanced by in-kind support from volunteers wishing to help construct the park. This may include labor, construction equipment and material.](#)

[Please note that Hualapai are requesting seven site visits vs. six as indicated on page 10 of the RFP.](#)
